History of the College

The STET College of Education for Women, Sundarakkottai, Mannargudi has got its name from the divine deity of Sri SengamalaThayaar, the divine consort of Sri Rajagobalsamy. THE EMBLEM OF OUR COLLEGE

Our college emblem which is bearing the picture of a Temple, a Light Pillar, Two traditional lamps and a Book, is interestingly inducing our thoughts. The lamps shining brightly indicate the greatness of our culture.

The College is dedicated to the girl students with the sole intention of not only imparting education, but also to teach them the principles to lead a better life with peace and pleasure just as the shining lamps in the emblem.

The Book in the emblem stands for the importance of education for women. If a girl is educated, in future her whole family would become educated. An educated women is able to live with self – confidence and shine with individuality in the society.

The man by his wisdom differs from the other beings on the earth and tries hard to find out what is life on a whole. To achieve this eternal life, deep and strong wisdom is needed and God helps man to get this wisdom. The Light Pillar in the emblem internally instigates this and also stands as an example of man's life depends upon his high aims.

The students of our esteemed college, during their stay here should avail this opportunity to get the maximum gains and become fully prepared lead to an active and successful life following the teachings of Swami Vivekananda.
