## AWARENESS OF TRENDS IN TECHNOLOGY

Technology trend awareness as a skill refers to being mindful of the technology that is recently becoming popular and is readily accepted in the industry. It also encompasses one's ability to recognize and understand the usefulness of any such technology for professional success.

In bringing the 'excellence' in students, the Academic and Support systems of the University regularly organize various events, activities, workshops, seminars and skill development activities wherein the organizations and experts are collaborated and invited to share the best practices and trends to the students.

ICT skills are about understanding and applying a range of computer programmes, software and other applications. These include word processing, spreadsheets, databases, power points and use of internet. In addition to technical skills, associated skills namely creativity and analytical skills are also improved.

Knowing how to use ICT skill is a very important competency to be possessed by students, both during their time with us at the College and beyond.

ICT competencies:

- Using a Computer and the Internet
- Information Literacy
- Processing Information
- Presenting Information
- Online Communication and Collaboration

Students are provided opportunity to handle seminars using ICT enabled teaching gadgets such as smart boards, modules and power point presentation. Students are encouraged to join and learn through Massive Open Online Certificate (MOOC) offered through NPTEL. Campus has smart class rooms and 3 seminar halls with ICT facility, Learning Management System is enabled through STET learning App.

ICT enabled teaching gadgets such as LCD, Projector screen; 'Smart' interactive boards and internet connection with Wi-Fi are provided to each department. The teachers effectively utilize the ICT facilities for delivering the course content with virtual reality.

Software Development Council conducts hands on training to the PG Students on software development. IT Park of Computer Science and Oriontech club of Computer Applications departments provide opportunity to develop students' technical skills by conducting seminars, workshops, quiz, symposium etc.,

Our college is an institutional member of ICT Academy of Tamil Nadu which conducts various Workshops, Skill development programmes, Guest Lectures and Industrial Visits to create awareness on trends in technology with the help of resource persons from industries.

# PROGRAMMES ON AWARENESS OF TRENDS IN TECHNOLOGY

S.No.	Programme Name	Date
1	Two Days International Webinar On "Recent Advances In Material Science"	7.06.2021, 8.06.2021
2	Two Days hands on Training Programme On "Solving Optimization Problems Using Microsoft Excel And Solver"	10.06.2021, 11.06.2021
3	Webinar On "An Overview Of Stock Market Knowledge"	7.7.2021
4	Virtual Power Seminar On "Artificial Intelligence"	31.07.2021
5	Online Guest Lecture "Internet Of Things And Its Applications"	18.8.2021
6	Webinar On "Trend With Trade"	15.08.2021

### DEPARTMENT OF CHEMISTRY REPORT OF THE EVENT NATIONAL WEBINAR

**Title : Recent Advances in Material Chemistry**  
**Date : 07.06.2021 & 08.06.2021**  
**Time : 10.30 a.m**

Our department organized a two day National Webinar on “Recent Advances in Material Chemistry” on 07.06.2021 & 08.06.2021. Dr.G.Thirunarayanan, Associate Professor, Department of Chemistry, Annamalai University, Chidambaram. Delivered an effective lecture on “Organic reactions in Industries” and “Mass Spectrometry”, Dr. R.Dhanalakshmi, Assistant Professor in Chemistry, Saraswathi Narayana College, Madurai Kamaraj University, delivered an informative talk on “An overview of Nanotechnology in Medicine” and “Nanotechnology applied to Life Sciences”

Dr. J. GAYATHRI M.Sc., M.Phil., B.Ed., Ph.D.  
Asst. Prof and Head, Dept. of Chemistry,  
S.T.E.T.W. College,  
Mannargudi.

## REPORT

DEPARTMENT OF MATHEMATICS

National level workshop (2020-2021)

Our department organized Two days National level workshop on 04.03.2021 & 05.03.2021 under the title “Modeling and solving Operations Research problems using Microsoft excel and solver” with Dr.T.Venugopal, Professor of Mathematics, Formerly Head, Department of Mathematics, SCSVMV Deemed to be University, Enathur, Kanchipuram.

In this Programme, he gave a training using Microsoft excel and solver to our Post Graduate students. From this activity, our students are able to solve the operations research problems quickly.

## What is Artificial Intelligence?

- Artificial intelligence (AI) is intelligence demonstrated by machines, as opposed to the **natural intelligence** displayed by humans or animals.
- Leading AI textbooks define the field as the study of "intelligent agents": any system that perceives its environment and takes actions that maximize its chance of achieving its goals.
- Some popular accounts use the term "artificial intelligence" to describe machines that mimic "cognitive" functions that humans associate with the human mind, such as "learning" and "problem solving".

The interface includes a "REC" button, a "Class List" on the left, and a participant list on the right with icons for "You", "Venus M", "Ruso Tamilarasan", and "147 others". The bottom status bar shows the time as 11:30 AM and the meeting ID as mwb-nmya-anc.

### ML Benefits

- User authentication as a legitimate user for requesting or performing any transaction in the blockchain network.
- BT provides a high level of security and trust.
- Blockchain integrates public ML models into smart contracts to ensure that the conditions and terms which were previously agreed are sustained.
- BT helps in the reliable implementation of an incentive based system; thus, it encourages users/customers to contribute data. This huge data will help to improve ML model performance.

# VIRTUAL POWER SEMINAR ON ARTIFICIAL INTELLIGENCE ON 31.07.2021

This screenshot shows a Google Meet interface during a presentation. The main slide, titled "An energy trading system", illustrates a flow from energy sources (Wind Power, Thermal Power Plant, Solar PV) through Energy Storage and a Smart Grid to an Energy Trading Platform. This platform is connected to Blockchain and Accounts, which in turn serve Industries, Buildings, and Individual Houses. A note at the bottom of the slide states "Parties participating in energy trading". The Meet interface includes a "People" list on the right with participants like b. suguna, Bharathi P, and Karthika. K 480. The bottom status bar shows the time as 12:06 PM and the date as 7/31/2021.

This screenshot shows a Google Meet interface during a presentation. The main slide, titled "CI/CD Pipeline", depicts a continuous cycle: BUILD (with sub-steps CODE, PLAN, TEST) -> DEPLOY (with sub-steps RELEASE, MONITOR) -> OPERATE. The cycle is supported by various tools: JIRA, git, Jenkins, CHEF, SALTSTACK, GitLab, and Splunk. The Meet interface shows the "People" list with participants like You, Karthika. K 480, and Ruso Tamarasan. The bottom status bar shows the time as 12:08 PM and the date as 7/31/2021.

### REPORT

#### LEARNATHON-2021

Sengamala Thayaar Educational Trust Women's College (Autonomous) actively engages with ICT Academy to provide students the exposure to the latest technology, experiential learning, mentorship, and job opportunities. The Learnathon - 2021 is one such great initiative. This learning event aims at helping students build skills that could help them develop. Around 1090 students actively participated and 350 students received certificates. Apart from the regular curriculum, students learning advanced technologies and earning global certifications are added advantages for their carriers. Learnathon--2021 is an effort to help educators and students build literacy and deploy the power of a digital assistant.

Our Department has organized three days Alumni Webinar series from 08 -10<sup>th</sup> October, 2021 entitled “Recent Trends in Physics”. In the first day of webinar Ms.R.Pradheepa, Head & Assistant Professor in Physics, Issac Newton College Of Arts And Science, Nagappattinam delivered a lecture on “Overview of Nanotechnology”. In the second day of Webinar G.Bharathi selvi, Assistant Professor in Physics, Naina Mohammad Arts and Science College, Aranthangi delivered a lecture on Fiber Optic Communication. In third day of webinar Ms.K.Sivaranjani, Assistant Professor of Physics, A.R.J College of Engineering and Technology, Mannargudi delivered a lecture on Applications of Laser. In this programme totally 142 members were benefited.

## ROBOTIC PROCESS AUTOMATION SKILL-A-THON 2021

With low-code/no-code gaining traction, it is undoubted that RPA literacy will become a default skill looked into every professional. Skill-A-Thon 2021 is an effort to help educators and students build RPA literacy and deploy basic robots to see the power of a digital assistant.

### CONTEST PROCESS

- ➔ Institution registration
- ➔ Student registration
- ➔ Obtain assistance through learning guide
- ➔ Start the 4 hours of self-learning
- ➔ Submit certification and get UiPath Forum special Badge
- ➔ Get recognitions for students, SPOCs and Institutions

### WHO CAN PARTICIPATE

Students of ICT Academy Member Institutions - Arts, Science, Commerce, Management, Engineering, and Technology Institutions.

Recommended for the 2nd Year Graduating Students.

## *RPA Skill-A-Thon 2021*

**S**engamala Thayaar Educational Trust Women's College (Autonomous) actively engages with ICT Academy and UiPath Academic Alliance to provide students the exposure to the latest technology, experiential learning, mentorship, and job opportunities. The Robotic Process Automation (RPA) Skill- A-Thon - 2021 is one such great initiative. This learning event aims at helping students build skills that could help them

develop and deploy basic software robots. Around 1000 students actively participated and received certificates. Apart from the regular curriculum, students learning advanced technologies and earning global certifications are added advantages for their careers. Skill-A- Thon-2021 is an effort to help educators and students build RPA literacy and deploy basic robots to see the power of a digital assistant.

## VIRTUAL POWER SEMINAR ON CYBER SECURITY-10.12.2021

### SCREENSHOTS

The slide displays a central tree diagram with a laptop at the base. The tree branches into two main categories: 'Internal attacks' on the left and 'External attacks' on the right. Under 'Internal attacks', the sub-categories are: 'Man-in-the-middle', 'Denial of service', 'Insider attack', and 'U.S. Government attack'. Under 'External attacks', the sub-categories are: 'Phishing', 'Advanced persistent threat', 'Malware & botnet', and 'Denial of service'. The Zoom interface shows a grid of participants on the right and a toolbar at the bottom.

The slide is titled 'Types of hackers' and lists four types, each with an illustration and a description:

- Black hat:** Individuals with malicious intentions, working for their own or their client's profit.
- Grey hat:** Individuals who work both offensively and defensively in various ways.
- White hat:** Individuals working for an organization and using their skills to address problems and the concern of the organization.
- Script kiddie:** Individuals who aim to bring down parts of infrastructure for a cause and do not concern about being caught or any other punishment.

The Zoom interface shows a grid of participants on the right and a toolbar at the bottom.

## VIRTUAL POWER SEMINAR ON CYBER SECURITY-10.12.2021

### SCREENSHOTS

The screenshot displays a Zoom meeting interface. The main content is a slide titled "Motives behind Cybercrime". The slide features a central circular diagram with a lightbulb icon in the center, surrounded by eight segments, each with an icon and a label:

- Eliminating business competition
- Information theft and compromising data
- Revenge or settling a personal grudge
- Showing that one is able to penetrate a system or network
- Expanding market share of the target
- Personal gain or the target
- Disrupting services
- Showing off technical abilities

On the right side of the Zoom window, there is a grid of participant avatars. At the bottom, there is a control bar with icons for mute, video, chat, and other meeting functions.

The screenshot displays a Zoom meeting interface. The main content is a slide titled "Why Cyber Security?". The slide features a central triangular diagram with three colored sections: orange (top), blue (bottom left), and red (bottom right). Above the triangle is a yellow text box that reads: "Confidentiality, Integrity and Availability (CIA) are considered as the primary standards for computer security since the time of their formulation".

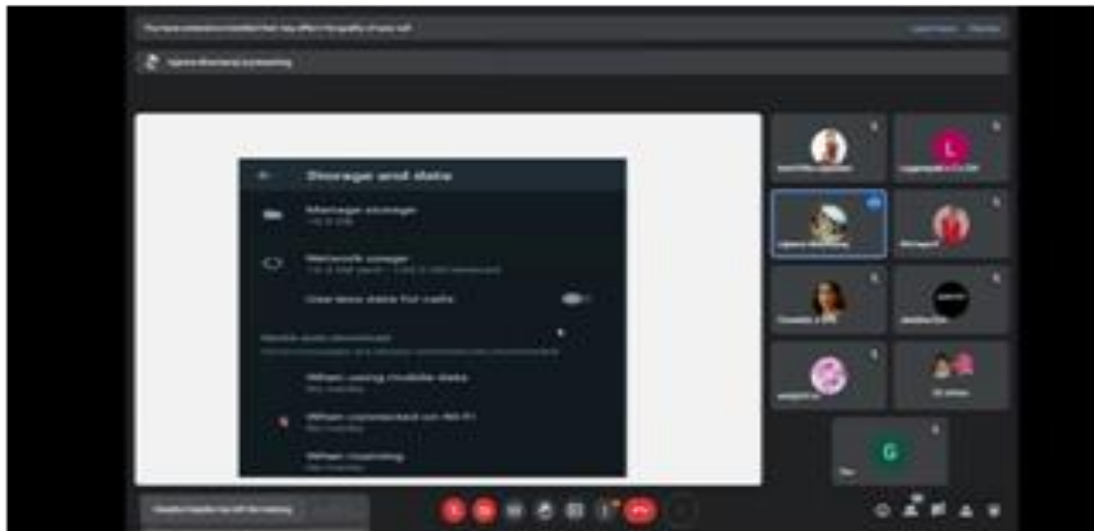

On the right side of the Zoom window, there is a grid of participant avatars. At the bottom, there is a control bar with icons for mute, video, chat, and other meeting functions.

## VIRTUAL POWER SEMINAR ON CYBER SECURITY-10.12.2021

## VIRTUAL POWER SEMINAR ON CYBER SECURITY-10.12.2021

The slide titled "Domains in Cyber Security" features a central diagram with a shield icon. The diagram is divided into two main sections: "Security Operations" on the left and "Risk Security" on the right. The "Security Operations" section includes "Security Operations and Incident Response" and "Security Operations and Risk Management". The "Risk Security" section includes "Risk Security" and "Security Operations and Risk Management". The diagram is surrounded by a circular flow of icons representing various security domains.

The slide titled "What is Cyber Security?" defines cyber security as "the protection of systems, and assets that are connected to computer networks and devices from theft, damage or unauthorized access". Below the definition, there are five icons representing different aspects of cyber security: "Protection of your business", "Increased productivity", "Reduce customer confidence", "Secure your website from phishing", and "Protecting your company's IP/CRMs".

## VIRTUAL POWER SEMINAR ON CYBER SECURITY-10.12.2021

The screenshot shows a Zoom meeting window. The main content is a slide titled "Hashing Guidelines" with the subtitle "Most Common Passwords of 2020". The slide lists the following passwords:

- 1. 123456
- 2. 12345678
- 3. qwerty
- 4. 123456789
- 5. 1234567890
- 6. 1234567

**About The College**

Sengamala Thaayar Educational Trust Women's College Was Established in the year 1994 by late Srimathi Krishnaveni Ammal who decided to fulfill the long felt educational need of the people of Mannargudi and its surrounding Taluks. Our Correspondent Dr.V.Dhivaharan has brought light to educate the women especially to dispel the darkness of ignorance and to empower women by access to higher education. The college has as its motto "ARISE, AWAKE AND STOP NOT TILL THE GOAL IS REACHED", One of the world famous utterances of Swami Vivekanda. The college is recognized by the UGC under sections 2(f) and 12(B), Re - accredited by NAAC, Autonomous status on 2020 and an ISO 9001:2015 Certified Institution. The college has a strength of about 4,000 students and 175 faculties. It offers 12 UG and 13 PG, 5 M.Phil., and 4 Ph.D programmes. The college is reckoned as one of the leading educational institution and has been serving to the society for about 26 years.

**About The Department**

The Department of Mathematics was established in the year 1994. The Department offers B.Sc., Mathematics and M.Sc., Mathematics programmes with a strength of around 600 students. The Department has an excellent academic records and has produced 100 % result almost every year. The Department aims at overall development of the student by involving them in seminars, conferences, cultural events and Guest Lecturers by experts.

**About the Workshop**

This workshop is focused to benefit the students and faculty members to attain an expertise in solving problems with the help of GRIN (Graph Interface) in the field of Graph Theory. Especially, it will be helpful to the PG students for their Practical course and Project work.
