SUNDARAKKOTTAI, MANNARGUDI – 614 016

Best Practice I

Title of the Practice: SOFT SKILL DEVELOPMENT

Objectives of Practice

- Enrich the communication skill
- Increasing efficiency

The Context

Students of our College hail from rural and agricultural background and have studied in Tamil as medium of instruction in school. In order to bridge the gap the institution taken initiatives to enhance the communication skill of the students at the entry level.

The Practices

- Vocabulary development and definition , explanation of the technical terms of corresponding subjects
- Supply of glossaries to all the students
- Encouraging all the students to read English newspaper through mandatory subscription to the English
- English grammar work book practice
- Lectures and seminars relating to communication skills
- Language lab to improve LSRW skills for enhancing the employment opportunities of students.
- Regular grammar class for both UG and PG students
- Practice of spoken English class for all UG students at entry level on special day order
- Novel and comics distribution to the students

Evidence of Success

- Awards in Oratorical contest
- Capable of publishing and presenting research papers
- Award received from shakessphere institute

Problems Encountered and Resources Required

- Availability of time
- Students from rural background.
