Department of Mathematics &
In Association with IQAC
Venue : Conference Hall,
Vivekanandham Block.
Time : 10.00 a.m

ABOUT THE INSTITUTION

“Empowering Women, Empowering the Nation”. Higher education, especially to women, empower not only the family but also the Nation. Hence, higher education to women is often emphasized as a mission of capacity building of the Nation. The significance of this aspect has been rightly recognized and there has been a paradigm shift in the scenario of women education in the urban area. Nevertheless, higher education to women in the rural areas needs encouragement, as the main source of income of their parents is agriculture and the per capita income is relatively very low. In the context, “Sengamala Thayaar Educational Trust Women’s College” was established at Sundarakkottai, in Thiruvavur District, in the year 1994 by Shrimathi Krishnaveni Vivekanandham, who entrusted the task of nurturing the institution to her illustrious son Dr.V.Dhivaharan, as the correspondent of this esteemed institution with his inspiring and perseverant administration leading this institution towards excellence in empowering women in academic and research. The institution offers 12 UG, 13 PG, 5 M.Phil, 4 Ph.D and PG Diploma Programmes. Sengamala Thayaar Educational Trust Women’s College is recognized as one of the foremost educational institutions in India, affiliated to Bharathidasan University, Tiruchirappalli. It has been accredited by the NAAC and an institution of ISO 9001:2015 standards certified one. The institution has attained Autonomous status in the Year 2020. The Internal Quality Assurance Cell (IQAC) of the college is extremely active and evolves strategies and actions to achieve the goal of the institution.

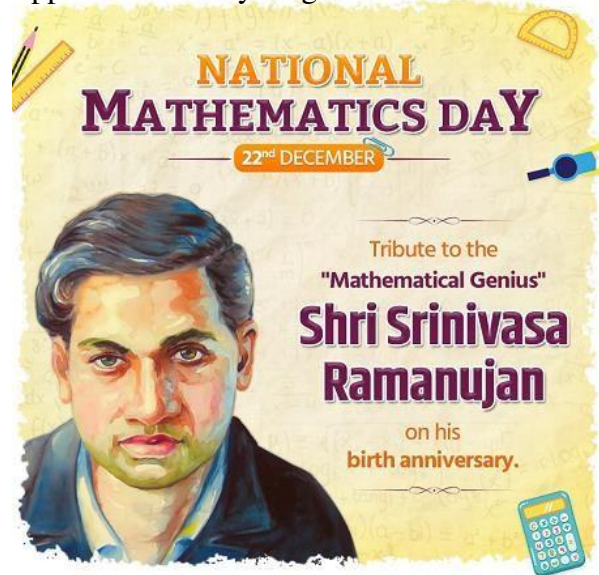

ABOUT THE DEPARTMENT

The Department of Mathematics was established in the year 1994. The Department offers B.Sc., Mathematics and M.Sc., Mathematics programmes with strength of around 250 students. The main objective of the department is to promote knowledge through research, both applied and conceptual relevant to science and technology and to

disseminate such knowledge through publications. The Department has an excellent academic records and has produced 100 % results almost every year. The Department has received 194 University Ranks so far. Our Department has been producing intellectually and scientifically advanced younger generation to shine in various fields. Our Department organizes Vedic Mathematics classes and Extension activities frequently. The Department aims at overall development of the students by involving them in seminars, conferences, cultural events and Guest Lectures by experts.

ABOUT THE MATH SPARKLE 2023

22nd December is the birthday of the famous mathematician Srinivasa Ramanujan. This day was dedicated to him due to his significant contributions to mathematics by the Government of India. Lot of fun activities related to math are held on this day for the students. The main objective of mathematics day is to get awareness on arithmetic and its importance. It also encourages young minds to take an active interest in the subject. Our department is conducting National Mathematics Day - Intercollegiate Competition (Math Sparkle 2023) on Srinivasa Ramanujan's Birthday to inspire and provide opportunities for young mathematicians to excel.
