**LANGUAGE LAB - REPORT 2022-2023**

Language Lab plays a vital role in the language learning process. It facilitates the students to learn the listening and speaking skills in an effective way. It implies that both the teacher and students can participate in different activities. It also imparts training to the students to learn the foreign language. Students can be able to listen the pronunciation of words through the language lab software and grasp it easily due to clarity of speech.

English Language Lab focuses on developing the communication skills in students. Regular training on Listening and Speaking Skills are given to the First Year Post Graduate students of all departments as per the schedule. Language Lab is equipped with 60 Multimedia computers and a Sony Projector. The Configuration in the Computer is Dual Core 2.80GHz, 512 MB RAM, and 250 GB SATA Hard disk. A student friendly software **Learndiff** is installed in the Lab. The students could listen to Phonetics and Word Stress with appropriate intonations and tone group. They could also listen to conversation of various situations through **Malayala Manorama "Speak English CDs"**.

## **REPORT**

### **ENGLISH LITERACY SKILLS**

Reading English novels can be incredibly beneficial for students.

**Language Development:** Novels expose students to a wide range of vocabulary, sentence structures, and writing styles, which can enhance their language skills.

**Cultural Awareness:** Novels often explore diverse cultures, societies, and historical periods, helping students develop a deeper understanding of the world around them.

**Critical Thinking:** Analyzing characters, plot developments, and themes in novels encourages critical thinking and improves analytical skills.

**Empathy and Perspective-taking:** Engaging with characters from various backgrounds and experiences fosters empathy and broadens students' perspectives.

**Creativity and Imagination :** Reading novels stimulates creativity and imagination, allowing students to visualize scenes and characters in their minds.

**Academic Success:** Strong reading skills are linked to academic success across all subjects, making reading novels a valuable investment in students' overall education. Overall, incorporating English novels into students' reading routines can have far-reaching benefits beyond just language acquisition. English novels and fairy tales reading skills improved students LSRW skills. 832 UG first year students and 364 PG final year students were benefitted.
