### **REPORT OF INTERNATIONAL PLASTIC CARRY BAG FREE DAY**

PG and Research Department of Microbiology Co-ordinate Beginner's Day in the college premises itself for felicitating the fresher of B.Sc., Microbiology 2024 Batch. It was organized to give an affectionate welcome to new students. Such parties instill confidence in students and enhance their creativity. It is accompanied by so many exciting events and programs like breathtaking singing performances, and splendid decoration, thus making it a soulful experience.

In this event which was held in 03.07.2024 in the PG and Research Department of Microbiology, Principal Dr.N.Uma Maheswari has addressed the students of Microbiology by encouraging by highlighting the contribution of Microbiology Department to the Institution. Dr. M.Kannahi, Head of the Department, educated the freshers about the Code of Conduct and highlighted achievements of the Department. Senior students arranged all the events in this programme and conducted games for explore the talent of the beginners and existing students through this fresher party. Moreover, these types of celebrations help juniors to form bonds and ensure good coordination with seniors. This leads to a better understanding among all and a feeling of co-operation is fostered.

Faculty Members of PG and Research Department of Microbiology play an imperative role in this event by flourished speech. They actively participate and guide students towards a successful event.

A little music, new smiling faces, enjoying the party time! The most important thing in a fresher's party is to extends their utmost cooperation all over their College Days.
