Soft Skill Development

Technical Knowledge alone is not sufficient to satisfy an employer or to achieve success in personal and professional life. Attitude, behavior and non-technical skills form an integral and important part of all placement-oriented tests and competitive examinations. To enable the students to achieve excellence in both personal and professional skills, the Soft Skills Development Cell was established. The cell motivates the students to develop positive attitude, and to develop Communication Skills. The main motive of the cell is to help the students to discover whom they are and what skills they possess in order to make them to choose right path to march ahead.

This cell imparts soft skills training starting from communication, to work in diverse environments, developing emotional sensitivity, learning creatively and critical decision making, developing awareness of how to work with and negotiate with people and to resolve stress and conflict in ourselves and others.

Objectives

- To develop students with moral and ethical values and to prepare them to face the competitive world
- To develop interpersonal relationship among the students

Responsibilities

The main responsibilities of this cell are to develop the following,

- Communication skills
- Negotiation Skills
- Interpersonal Skills for Personal and Professional life
- Team Building
- Building trust, confidence collaboration and managing relationships
- Situation Analysis
- Creative Approach and Development
- Interview and GD skills
- Counseling and grooming
- Monitoring and Feedback
- Conduct soft skill classes for the students for an overall personality development to improve their communication and presentation skills
- Aptitude, interview techniques, group discussion skills and many other aspects of their personality
- Training for managing the stress and to prepare them for a successful career

STET Women's College provides platform to the students to develop soft skills. To fulfill this intent, various programmes are organized from time to time wherein the students get an insight into and opportunities to develop essential soft skills.

REPORT

REPORT

Online Quiz competition entitled "The Birthday Celebration of Arundhati Roy & Margaret Atwood" was organized by the Department of English From 18.11.2023 to 24.11.2023. It has also been conducted to encourage the students and widen their knowledge in Indian Constitution. More than 103 students from various colleges actively participated in it and the winners received their e- certificates. Overall it was a great opportunity for the students to make use of their time.

REPORT

Report on Online Quiz for the Celebration of National Computer Security Day

Date of Event: 30th November 2023

Total Participants: 116

In celebration of National Computer Security Day, an online quiz was organized on 30th November 2023. The aim of the quiz was to raise awareness about computer security, data privacy, and best practices for ensuring a secure digital environment. The event was open to all interested Students and received a positive response, with 116 participants engaging in the quiz.

The primary objectives of the online quiz were:

1. **Raise Awareness:** Educate participants about computer security concepts and the importance of protecting personal and organizational data.
2. **Test Knowledge:** Provide a fun and interactive platform to test participants' knowledge on topics related to Cyber security, encryption, malware, firewalls, and safe online practices.
3. **Encourage Learning:** Promote further research and learning in the field of Cyber security.

The event helped foster a greater understanding of computer security and encouraged participants to adopt better practices in their daily digital lives.
