HOSTEL COMMITTEE

Women students from remote villages have face commuting problems which is a major barrier to their higher education. In order to help those women students overcome the problem, our management has established a hostel with all academic facilities.

A hostel Committee is established to safeguard the collective interest of all the residents, and to provide a comfortable environment and a homely atmosphere. The committee also takes an active interest in providing nutritious and hygienic food in a clear and pleasant environment, and to maintain discipline and a peaceful atmosphere in the hostel.

OBJECTIVES

- To draw rules and regulations for the administration of the hostel
- To promote the academic talents and skills of students
- To inculcate discipline, responsibility and positive behavioural attitudes among hostel students
- To maintain a comfortable hostel environment for the physical and mental well-being of the residents
- To maintain cleanliness in hostel rooms and kitchen
- To prevent communicable diseases
- To maintain discipline and a peaceful atmosphere in the hostel
