INTERNSHIP CELL

Vission

Our focus is to contribute to the College's mission by assisting students in shaping career paths that align with their personal interests, values, and life goals, ensuring they feel empowered throughout the process.

Mission

Our purpose is to help students clarify and achieve their individual career and educational ambitions. Through personalized advisement, exploration of relevant resources, and opportunities for experiential learning, we expose students to career possibilities, preparing them for success in both their future studies and the professional world.

INTERNSHIP CATEGORIES

The employability of graduates can be improved by developing practical experience and exposure with the required right kind of attitude for the workplace. The internship is one of the important apparatuses that help in improving these employability skills and can help in generating competency, capability, professional working skills, expertise, and confidence among the students for employability and developing interest/passion for research. The interns can understand the application of theory in the workplace. The undergraduate internships would be classified into two types:

i. Internship for enhancing the employability

ii. Internship for developing the research aptitude

- A minimum of 2 credits for 3-year UG degree. An internship of 60 hours duration after the 4th semester will be mandatory for the students enrolled in UG degree programmes.
- A minimum of 2 credits for 2-year PG degree. An internship of 1 Month duration after the 2nd semester will be mandatory for the students enrolled in PG degree programmes.
