**SENGAMALA THAYAAR EDUCATIONAL TRUST WOMEN'S COLLEGE
(AUTONOMOUS)**

**(Silver Jubilee Institution) | (Accredited by NAAC)
SUNDARAKKOTTAI, MANNARGUDI – 614 016**

HISTORY OF THE COLLEGE

Mannargudi or Raja Mannarkoil which derives its name from the Presiding Deity of the town Sri Rajagopalaswamy is a century old Municipality in the heart of the old undivided Thanjavur District and which is now one of the important towns of Thiruvavur district, Tamil Nadu, India.

imparting culture and refinement, marking us conscious of our moral and social responsibilities. The College offers useful job oriented courses with the grace of the Divine Mother and it strives hard to adopt the golden words of Swami Vivekananda, “Educate our women first and leave them to themselves”.

VISION

To blossom into a Centre of Excellence in Higher Education and Research, targeting the women students of the downtrodden and economically weaker section of the society, so as to enlighten, empower and make them instrumental in creating a par excellent society.

MISSION

- ❖ Creating an academic environment by providing modern infrastructure facilities and current advancement in humanities, science and technology
- ❖ Providing not only quality education but also inculcating discipline and moral values

OBJECTIVES

- To provide higher education to the women students of the rural and economically weaker sections of the society
- To provide sophisticated infrastructure facilities for teaching, learning and research
- To adopt recent technological advancements and innovations in teaching- learning processes through ICT so as to make them competent
- To work consistently towards achieving excellence in the teaching and learning process in the institution
- To promote knowledge through research, both in basic and applied areas of Science and Technology and to disseminate such knowledge through publications, extension activities and consultancy services
- To inculcate positive attitude, intellectual abilities, reflective personal growth, leadership qualities and to develop service-oriented mind set of women in the process of teaching and learning
- To establish collaboration with advanced centers of education and research, industries, corporates through Memorandum of Understanding
- To provide value based higher education to women so as to make them socially responsible and
- Ultimately, the women students will be empowered through holistic development for nation building

IMPLEMENTATION OF AUTONOMY

The UGC document on the profile of the higher education in India clearly states that ‘the only safe and better way to improve the quality of Under Graduate education is to delink the most of the colleges from the affiliating structure. Colleges with the academic and operative freedom are doing better and have more academic credibility. In the affiliating system, the regulations of the University have affected the freedom and academic development of individual colleges. Colleges that have the potential for offering programmes of a higher standard do not have the freedom to offer them. Hence it becomes essential to create an intellectual climate that permits academic freedom to the teacher and the institution, which is a crucial requirement for the development of the intellectual climate of our country. Keeping these points in view, this institution acquired autonomous status with the following aim and objectives:

Aim

Designing, structuring, restructuring, and providing quality education and effective implementation of the curricula within the purview of the parent university, so as to meet the needs of the institutions / industries / community, and to empower the nation through empowering the rural women students.

Objectives

- To design, redesign, structure and restructure the curricula, within the purview of the parent university to suit the needs of the society/industry/institutions
- To device teaching methods and to use ICT enabled teaching- learning protocols so as to achieve quality in education
- To device the methods of assessment and evaluation of the performance of the students as a continuous process and to conduct examination and publication of results
- To streamline the projects/research activities so as to enhance the curiosity and innovative ideas among the students
- To promote institution-industry relationships, healthy practices, community services, neighbourhood programmes, extension and other part-V activities for the benefit of the society and nation at large
- To expose the students and teachers to recent developments in humanities, arts and Science through Seminar/Conferences/Workshops so as to create an environment of global competitiveness

Credits	means the weightage given to each course of study (subjects) attributed by the experts of the Board of Studies concerned	
Credit System	means, the course of study under this pattern, where weightage of credits are spread over to different semesters during the period of study. The Cumulative Grade Point Average will be awarded based on the credits earned by the students.	

The following are the total credit points:

For Undergraduate Programme (Three Years)	: 141 credits
For Postgraduate Programme (Two Years)	: 91 credits
MBA	: 102credits
MCA	: 91credits

For the Academic year 2026-2027:

For Undergraduate Programme (Three Years)	: 151 credits
For Postgraduate Programme (Two Years)	: 91 credits
MBA	: 112credits
M.Sc., Computer Science/Information	
Technology	: 97 credits
MCA (Computer Science Students)	: 97 credits
MCA (Non Computer Science Students)	: 127 credits

Choice Based Credit System (CBCS):

All the Under Graduate and Post Graduate Programmes offered by the college will be based on a Credit System offered under the Choice Based Credit System (CBCS). The CBCS system accelerates the teaching - learning process and enables vertical and horizontal mobility in learning. The credit based semester system provides flexibility in designing curriculum and assigning credits based on the course content and hours of teaching. The choice based credit system provides a 'cafeteria' type approach. More elective options are given and the students have the opportunity to choose their electives on their own wish. It enhances the employability skills.

a) Consolidation of CIA

Consolidation of CIA marks should be done in the department within five days after completion of the Internal Tests. CIA mark statements are to be sent to the Office of the Controller of Examinations after being acknowledged and signed by the Subject incharges and the Head of the Departments. Changes cannot be made in the mark statements, once when they are submitted to the COE's Office. **If a student fails to get the passing minimum in CIA in a particular course, she can improve the CIA in the subsequent semesters, however, she is eligible to appear for the ESE in that course.**

b) CIA IMPROVEMENT RULES (To reappear in CIA)

CIA can be cleared by improving the CIA marks in the subsequent semesters for a maximum of 3 courses. If a student has 4 or more courses for CIA improvement, she can clear them only after the completion of the programme. To clear CIA, students have to submit an application form to the COE's office within 20 days from the date of results published. A prescribed fee has to be paid.

Students who have any grievance or complaint with respect to CIA, can appeal to the Grievance Redressal Committee for redressal.

65% to 74%	Condonation
50% to 64%	Condonation (Medical Certificate has to be produced)
Below 50%	Not eligible to write ESE

- ✦ Condonation is granted by the Principal on the basis of recommendation of the Staff Council and the facts of every individual case. If the condonation is not sanctioned for some reason, the candidate cannot appear for the particular End Semester examination; but she is eligible to write the papers in the subsequent respective End Semester Examinations
- ✦ Students who have not earned 50% of attendance during the first semester cannot continue the programme in the second semester and they may apply for re-admission to the programme in the next academic year
- ✦ Students who have not earned 50% of attendance in the II / III / IV / V / VI semester, are not eligible to appear for the End Semester Examinations. They shall re-do the semester after the completion of the programme. However they can write the arrear papers if any
- ✦ While re-doing the Semester, the candidates should follow only the syllabus in force for the respective semester
- ✦ For re-doing the Semester, the candidate has to apply to the University, through the Principal in the prescribed form available in the College office, at least one month before the commencement of the semester concerned
- ✦ A student can have at the most two break semesters for UG and one for PG during the entire period of the course

3.4 PROJECT AND INTERNSHIP

3.4.1 PROJECT:

Final Year Project Report Guidelines:

Project work has been designed as a partial requirement for the completion of the UG and PG Programme during the last semester. The project is a module that provides the students with the opportunity to design, undertake or conduct a group (preferably be 3 and not more than 5 students) by the UG student and an independent project by the PG student under the guidance of a supervisor. The supervisors (project guides) may be assigned to each project group/student by the concerned Head of the Department. A project report should be submitted as part of the module and this should be complemented with a project presentation. Plagiarism is strictly prohibited.

Objectives of Project Work:

- (i) To train the student to independently formulate and solve a social, philosophical commercial, or technological problem and present the results in written and oral form.
- (ii) To expose the students to the real life problems .
- (iii) To provide opportunities to students to interact with people and understand human relations

Evaluation of Project Work:

- (i) During the project work, its progress will be monitored on monthly basis by the internal guide.
- (ii) At the end of the project, student should prepare written document of her work in the form of Project Report.
- (iii) 2 copies of the Project Report has to be submitted to the Concerned Department (1copy to be retained by the student and 1 copy to the Library)
- (iv) End Examination shall be based on Project Report, Presentation and Viva Voce.

Project work Assessment Plan		Maximum Marks
Internal Assessment	Project Proposal	10
	Mid Term Evaluation	05
	Final Evaluation	15
	Overall internal Marks	30
External Assessment	Thesis Evaluation	Done by both Internal and External Examiners 40
	Viva Voce	30
	Overall External Marks	70
Total		100

3.4.2 NON – SUBMISSION OF PROJECT / DISSERTATION

All Final Year students (UG/PG) shall submit their Project Reports at the end of the final semester, as a fulfilment of the partial requirement for the completion of the Programme. For any valid reason, if a student is not able to submit her Project report, she will be given special extension period of one month for submitting it. In such cases, the entire expense for conducting a separate viva-voce has to be borne by the student. Otherwise, she can appear for the viva-voce at the end of the subsequent academic year.

3.4.3 INTERNSHIP

Apart from the credit-bearing courses offered by the college, students have opportunities to take part in the Internship Programme organized by the Department. Internship Programme intends to provide experiential learning to integrate knowledge and theory of extension education with practical application and skill development in a professional setting. Internships give students the opportunity to learn recent advances in extension education, gain valuable applied experience and facilitate to develop the professional network among the stakeholders.

3.5 SUMMATIVE EVALUATION - END SEMESTER EXAMINATIONS (ESE)

1. All those students who have put in the required number of days of attendance are eligible to appear for the ESE irrespective of whether they have passed in the CIA or not. They have to pay the examination fees for all the current and the arrear courses, if any, and submit the application form before the due date, specified for the purpose. For any reason the dates will not be extended. Hall tickets will be issued only for those who have paid the fees.
2. The question papers for the ESE for all **Theory Courses** will be set for 75/70 marks and **Practical courses** will be set for 75/70 marks.
3. The students must bring the Hall Ticket and their College ID card to every session of the End Semester Examinations for verification.
4. Students can bring into the Examination Hall only ordinary Scientific / Engineering calculators. They can use the mathematical, statistical or any other Table, (if required) **provided by the College** during the ESE.

Students are not allowed to bring programmable calculators / mobile phones or any other electronic communication devices or unwanted materials into the examination hall.

3.5.1 GRIEVANCES REGARDING END SEMESTER EXAMINATIONS QUESTION PAPERS

If there is any problem in the question paper, the grievances are forwarded to the respective Head of the Department and she would seek the opinion/comments of the subject teacher. The Head of the Department will give her comments on the teacher's response to the grievances, when the HOD is not available for any reason, the next senior teacher of the Department would take up this responsibility.

3.5.2 DISCIPLINARY ACTION FORMAL PRACTICE:

Malpractice by students during the Internal Tests and End Semester Examinations will be viewed seriously. All reported cases of malpractice during Internal Tests, End Semester Examinations in Theory and Practicals, Project Viva-Voce, Field Work, Internship etc. will be referred to the Disciplinary Action Committee (DAC). The Committee will enquire the candidate in the presence of her parent/s and take an appropriate decision regarding the punishment to the candidate. The decision taken by the DAC will be final and binding. Students, found guilty of malpractice, will be **debarred** from writing **two consecutive End Semester Examinations** immediately following the one in which they were caught formal practice.

3.5.3 END SEMESTER EXAMINATIONS ARREARS

Students, who fail in any course (both Theory and Practical) in the End Semester Examinations, shall be permitted to write their arrear examinations in the next respective semester only.

3.5.4 VALUATION OF ANSWER SCRIPTS OF END SEMESTER EXAMINATIONS

Central Valuation of answer scripts is followed. For all UG programmes, there will be only one valuation done by a Board of External Examiners. For PG programmes, there will be double valuation - the first valuation is done by the Board of Internal Examiners consisting of teachers who teach the courses and the second valuation is done by the Board of External Examiners consisting of teachers from other Colleges and Universities nominated by the Controller of Examinations. If the marks of the two valuations agree within the prescribed margin, the average marks will be taken as final marks. In cases, where the difference between the first and second valuation is more than 15 marks, a third examiner will value such scripts and the average of the two nearest marks will be taken as the final score. If one of the marks stands exactly in midway between the other two, then that mark is taken as the final marks.

3.5.8 POSTPONEMENT OF EXAMINATION

Any unexpected holiday declared by the Government or by any Local Authority after the publication of the examination time-table will not affect the Examination schedule unless otherwise specially notified by the College. Announcements regarding the postponement of Examinations due to unexpected events will be made through ERP or College Website.

3.6 TIME CEILING FOR COMPLETION OF DEGREE

- i) The candidates will be allowed to complete the UG/PG Programmes within two years from the completion of programme.
- ii) The extended time limit to complete the programme within a maximum of five years which also includes Redo /Readmission.

3.7 CHOICE BASED CREDIT SYSTEM (CBCS)

The Choice Based Credit System accelerates the teaching learning process and enables vertical and horizontal mobility in learning. The Credit based semester system provides flexibility in designing curriculum and assigning credits based on the course content and hours of teaching. More elective options are given and the students have the opportunity to choose their electives of their own choice.

3.8 GRADING

Once the marks of the CIA and semester examinations for each course are available, they will be added. The marks thus obtained will then be graded. From the second semester onwards the total performance within a semester and continuous performance starting from the first semester are indicated by Grade Point Average (GPA) and Cumulative Grade Point Average (CGPA).

$$\text{GPA} = \frac{\sum_{i=1}^n C_i G_i}{\sum_{i=1}^n C_i}$$

- Where ‘Ci’ is the Credit earned for the Course i
- ‘Gi’ is the Grade Point obtained by the student for the Course i
- **CGPA = Average GPA of all the Courses starting from the first semester to the current semester**

The GPA and the CGPA shall be calculated separately for the following three parts:

- ❖ **Part I : LCs**
- ❖ **Part II : ELCs**
- ❖ **Part III : CCs, ACs, and ECs**
