**HISTORY OF THE COLLEGE**

Mannargudi or Raja Mannarkoil which derives its name from the Presiding Deity of the town Sri Rajagopalaswamy is a century old Municipality in the heart of the old undivided Thanjavur District and which is now one of the important towns of Thiruvarur district.

Our College has taken the name of Sri Sengamala Thayaar, the Divine Consort of Sri Rajagopalaswamy. Though there is one Government College in Mannargudi, the need for an exclusive women's college has always been keenly felt. Swami Vivekananda said to Indian women that they should light up the lamp of knowledge and become fearless, compassionate and large hearted and acquire practical efficiency. As women prove their efficiency in various fields, including the Air Force, our founder Late. Srimathi Krishnaveni, wife of Late. Sri Vivekanandan, decided to fulfill the long felt educational need of the people of Mannargudi and its surrounding taluks.

Our Chairman cum Correspondent Dr. V. Dhivaharan as his name indicates has brought light to educate the women especially to dispel the darkness of ignorance. Dr. V. Dhivaharan whose educational ideas are firmly rooted in the traditional culture of our country is a man of eminence and an epitome of efficiency. The College was started on 27-08-1994 because of his tireless hard work. Following his

Our college emblem which is bearing the picture of a Temple, a Light Pillar, Two traditional lamps and a Book, is interestingly inducing our thoughts. The lamps shining brightly indicate the greatness of our culture.

**ACADEMIC INFORMATION**

Institution registered under Academic Bank of Credits – DigiLocker NAD, A Digital Repository for Academic Institutions in the year 2023. The NAD ID is NAD111386. AISHE ID is C – 35824.

**Academic Details**

Choice Based Credit System (CBCS) has been followed since 2006. From 2021-22 onwards, the college promotes the extended version of CBCS under Outcome Based Education (OBE) model as expected by the UGC called LOCF.

The curriculum of all programmes incorporates skill based, nonmajor and major based electives, besides core and allied courses.

The Curriculum is enriched with excellent contents catering to the latest trends, in tune with the UGC guidelines and Parent University TANSCHÉ'S / AICTE Curriculum structure.

The freshers are given special orientation named 'Student Induction Programme'(SIP) as recommended by UGC, for six days and Bridge course for feeling better to study in English medium.

**Outcomes of Education**

Outcome-Based Education (OBE) is adopted and implemented by the institution to meet stated goals and objectives for holistic student development. Programme Outcomes (POs), Programme Specific Outcome (PSOs) and Course outcomes (COs) are correlated with the Vision, Mission of the college and the Departments. The POs, PSOs and COs for each programme are framed by the respective department faculty members and sent along with syllabi to external subject experts for suggestions and finalized in Board of Studies. Each course's COs are mapped to PSOs and POs to ensure that all teaching and learning activities are aligned to its respective COs, PSOs and POs. Principles of Bloom's Taxonomy are used to design learning outcomes, objectives and assessments to facilitate higherorder learning. Mapping with PSOs and POs, COs are analyzed and finalized by the Curriculum Development cell (CDC) and attainment levels are assessed and suitable actions
