SOFT SKILLS DEVELOPMENTS

The **Department of Computer Applications** organized a **Soft Skills Development Programme** on **23.12.2025** for the benefit of **300 students**. The programme was handled by **Ms. D. Jesheela Francis**, Senior Project Associate at Sedin Technologies Pvt Ltd, Chennai. The resource person emphasized the importance of soft skills in personal and professional growth, covering topics such as communication skills, teamwork, leadership, time management, problem-solving, and workplace etiquette. Through interactive sessions and practical examples, students gained valuable insights into developing confidence and enhancing their employability skills. The programme was highly informative and helped students understand the significance of soft skills in achieving career success.
