

## DEPARTMENT OF COMPUTER APPLICATIONS Technical Quiz 2025-2026

The Department of Computer Applications organized a Technical Quiz 2025–2026 on 29.08.2025 for the benefit of 200 students. The event was conducted with the objective of enhancing students' technical knowledge, analytical thinking, and problem-solving skills in various areas of computer science and information technology. Students actively participated in the quiz, which covered topics such as programming, databases, networking, web technologies, and recent advancements in the IT field. The competition created a healthy learning environment and encouraged students to update their technical knowledge while developing confidence and teamwork. The event was highly engaging and beneficial for all the participants.
