PROGRAMMERS DAY CELEBRATION – TECHNICAL QUIZ 2026

As part of the Programmers Day Celebration, the Department of Computer Applications, through the OrionTech Club, organized the Technical Quiz 2026 for the students of the department. As the first stage of the programme, a preliminary test was conducted on 09.09.2026 at 1.00 p.m. for the students of I BCA, I B.Sc. Data Science, II BCA, II B.Sc. Data Science, III BCA and III B.Sc. Data Science. The preliminary test covered topics such as Computer Fundamentals, Number System, Abbreviations and Shortcut Keys, and the students participated actively in the test. Based on the performance in the preliminary round, six teams were selected for the final round, with each team consisting of four members. The final round of the Technical Quiz 2026 was conducted on 11.09.2026 at the Language Lab from 9.30 a.m. to 11.15 a.m. The event was coordinated by the II MCA students, with enthusiastic participation from the UG students of the Department of Computer Applications. The final-round teams demonstrated their technical knowledge, quick thinking, teamwork and problem-solving abilities through the quiz. The programme aimed to enhance students' technical knowledge, confidence and healthy competitive spirit. III BCA students secured the First Prize, III B.Sc. Data Science students secured the Second Prize, and II B.Sc. Data Science students secured the Third Prize. The active involvement of the II MCA student coordinators and the enthusiastic participation of the UG students contributed significantly to the successful conduct of the programme. Overall, the Technical Quiz 2026 provided a valuable platform for students to enhance their technical knowledge, teamwork, confidence and competitive skills.
