WORLD STATISTICS DAY CELEBRATION

The Department of Computer Applications - Oriontech Club organized World Statistics Day on 21.10.2026 at smart room. The celebration began with a welcome address. Faculty members explained the significance of Statistics Day and the theme "Better Data for a Brighter Future". Poster Presentation was organized for I, II & III Year Data Science students. Students actively participated and presented various concepts such as:Types of Graphs Bar Graph, Pie Chart, Line Graph Histogram Applications of Statistics in Real Life The posters were displayed in the smart room and evaluated by faculty members. Students explained their topics with clarity and creativity. Students gained practical knowledge about statistical representation. Improved their presentation and communication skills. Understood the importance of accurate data for a better future. Created interest in the field of Data Science and Statistics.

The World Statistics Day Celebration was a grand success with active participation from I, II, III Year Data Science students. The event fulfilled its objective of spreading statistical awareness. We thank our anagement, Principal and Head of the Department for their support and guidance in organizing the event.
